

Conference Announcement

of The combined 48th IEEE Conference on Decision and Control
and 28th Chinese Control Conference

The combined 48th IEEE Conference on Decision and Control and 28th Chinese Control Conference will be held from Dec 16th to 18th 2009 in Shanghai, China. This is the first time for Asia and Pacific Area to hold CDC. The annual IEEE Conference on Decision and Control (CDC) is internationally recognized as the premier scientific and engineering conference dedicated to the advancement of the theory and practice of systems and control. Researchers and practitioners are welcome to join this event to discuss new research results, perspectives on future developments, and innovative applications relevant to decision making, automatic control, and related areas. **Submission deadline:** Feb 1st 2009. More details can be found at the **conference website:**
