

# Plenary Panel Discussion

优秀青年学者论坛—先进控制和智能系统

## Forum of Young Outstanding Scholars on Advanced Control and Intelligent Systems

**Chair:** Prof. **Min Wu**, China University of Geosciences, Wuhan, China

**Panelists:** Prof. **Mou Chen**, Nanjing University of Aeronautics and Astronautics

Prof. **Jun Fu**, Northeastern University, China

Prof. **Ai-Guo Wu**, Harbin Institute of Technology, Shenzhen, China

Prof. **Wen-An Zhang**, Zhejiang University of Technology, China

**Prof. Mou Chen**

**Nanjing University of Aeronautics and  
Astronautics, China**

- **Distinguished Young Scholar awarded by the NSFC**
- **Served as Associate Editors of IEEE Transactions on Systems, Man, and Cybernetics: Systems, IEEE Access, SCIENCE CHINA Information Sciences, etc.**
- **Research interests: nonlinear system control, intelligent control and flight control**

**Prof. Jun Fu**

**Northeastern University, China**

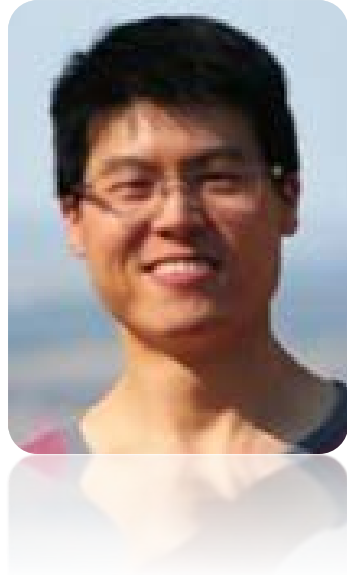

- **Distinguished Young Scholar awarded by the NSFC**
- **Won the Young Scientist Award from CAA (2016)**
- **Associate Editors of IEEE Transactions on Systems, man, and Cybernetics: Systems, IEEE Transactions on Neural Networks and Learning Systems**
- **Research interests: switched systems, robust control, mathematical programming, and dynamic optimization.**

**Prof. Aiguo Wu**

**Harbin Institute of Technology,  
Shenzhen, China**

- **Excellent Young Scholar awarded by the NSFC**
- **Received the Second Prize of National Natural Science Award (2015) ,  
and the National Excellent Doctoral Dissertation Award (2011)**
- **Research interests: descriptor systems, conjugate product of  
polynomials, switched system and robust control.**

**Prof. Wenan Zhang**

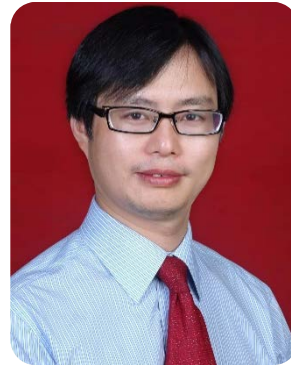

**Zhejiang University of Technology, China**

- **Excellent Young Scholar awarded by the NSFC**
- **Changjiang Excellent Young Scholar awarded by the Chinese Ministry of Education**
- **Research interests: cyber-physical systems security, multi-sensor information fusion and its applications to human-machine cooperation**
